

Briar Creek Sewer Improvement Construction Is Coming To Your Area Soon

- WHAT:** To prepare for installation of Briar Creek sewer improvements coming in 2018, Charlotte Water will be working with surveying, tree clearing and utility relocation crews in your area soon. Underground and above ground utilities, including Duke Energy and Spectrum Cable, will be relocated before pipe installation begins.
- WHERE:** Work will occur from Barrington Drive to Aqua Court, along the permanent and temporary construction easements for the project near Briar Creek, as well as in the existing utility easements in this area.
- WHEN:** Surveyors and tree clearing crews are scheduled to complete work during November-early December. Utility relocations are expected to occur during December 2017-February 2018. Duke Energy and Spectrum Cable will provide more information to affected properties regarding any planned service interruptions should they be necessary.
- Sewer pipe installation crews are scheduled to follow utility relocations in early spring.
- WHAT TO EXPECT**
- **Surveying** – Surveyors will first mark the easement area for tree and vegetation clearing. Next, they will mark the Duke Energy and Spectrum Cable easement areas.
 - **Clearing** – Trees, shrubs, bushes and other vegetation within the construction easement area will be removed. Tree stumps will be removed and holes filled. Debris will be transported off site.
 - **Security fencing** – Crews will be installing 6-foot security fencing with green screening on temporary and permanent easements along the project route. The fencing will help secure the construction area.
 - **Moving equipment on site** – Contractor will move construction equipment and materials to permanent and temporary easements along the project site to prepare for installation of the sewer pipe.

- QUESTIONS:** Please visit the project website at www.charlottewater.org (click on "projects") for updates on progress. If you have a question, please call Amanda DeWeese at 704-374-9300, ext. 2237. To receive email updates, send an email to briarcreeksewer@carolinapr.com, with "Briar Creek Email List" in the subject line. Please include your name and property address in the email.
